

I Heather Chandler, am requesting video footage from 11:pm until 1:20 am may 6 2025 when I Heather
may 5, 2025

was practicing shooting a pool on the North West table inside of Rays Place at 649 us - 81 Hwy Duncan, Oklahoma

the reason ^{upon request} is because my future, ^{my} right as a ^{Law abiding} citizen has been placed in jeopardy due to a wrongful arrest by an officer Darius Melynolds that claims he smelled an odor of alcohol which he did not because I was not under the influence of alcohol or anything else, he claims to have smelled alcohol but I told him that is not possible that he should call the bar tender/Rays Place, but he stated that's not going to happen.

So, I need the video footage of above request so that I can prove my innocence. I have asked Darcy Flaming for the video but she will not let me have it. So therefore, to prove my innocence I have to take this measure by requesting once again the video but this time through the court. I asked her within a couple days after being released from jail.

For case No. CF-2025-00109
