Hi my name is Shyiera, how are you doing today?

Delete Lawz

11:43 PM

There is a Discord full of Internet trolls who are mass reporting my videos. Another video is age restricted today that is for sexual content or nudity... There is no sexual content or nudity in it. Tomorrow, my attorney has a meeting with the Google lawyers. This is ridiculous and it has to stop.. <https://youtube.com/live/ghrmrT13SPc?feature=share>

This vid should NOT be age restricted. There's nothing here that says, "Oh yeah, that's bad" - no. I know when it's too much or .. the cursing demonetization is bit ridiculous. But, I know when it's too violent or too gory.

Please understand that age restriction encompasses several policies, not just nudity or sexual content. You can learn the policy here: <https://support.google.com/youtube/answer/2802167>

Delete Lawz

12:20 AM

there could not have been a careful review of my video because if there was there would be a fact that there was no sexual orientation or content, and there is nothing in that video that is extremely violent, gory or scary and there is no horrible cursing

Delete Lawz

12:21 AM

So my video is going to be a restricted... Just "because"

Delete Lawz

12:21 AM

Just cuz?

12:21 AM

Delete Lawz

12:23 AM

Is there anything that you could show me in the video that would lead to an age restriction?

Delete Lawz

12:23 AM

I'm doing my best to follow the community guidelines, but it seems as though the videos being restricted... Just... Because.

Delete Lawz
12:24 AM
Because why?

Delete Lawz
12:24 AM
You've always been very nice with me, Ace. We've spoken before. I have no animosity towards you. I think that you're probably a good person and you have a family who loves you and you're just a regular person doing a job... I'm sorry that we can't share specific information on the reason for the decision. I assure that this has been confirmed by the specialist who reviewed the video when you submitted the appeal.

Delete Lawz

well, I can't take legal action against you because nobody has ever beaten YouTube in the history of section 230 being active. So what is my recourse here when my video is being demonetized, age restricted just because

do I get to know who the specialist is or do I get any communication with this specialist. What circumstances in this video led to the age restricted and demonetization

Delete Lawz
12:26 AM
I wanna follow the rules. I wanna make sure that I live within the community guidelines. Am I allowed to share this chat publicly or is that a community guidelines violation? I want the audience to see that my videos are being restricted for no reason at all. But I don't wanna break the rules so if it's against the rules, please tell me.

12:27 AM

OK, I'm going to post this chat. No disrespect towards us, sir. I just want the audience to see that what's happening. Here is completely unfair and that my videos are being restricted in demonetized and I won't be able to stay in business being a content creator, if the majority of my videos continue to be restricted and demonetized.

there are three people who work with me on this channel. One of them is a full-time person who is livelihood and putting bread on the table is completely dependent upon this channel success.

Delete Lawz

12:28 AM

My entire livelihood is based on being able to post videos and for them to be fairly examined and to not be age restricted and demonetized when I haven't done anything wrong. I'm just trying to make sure I follow the rules here, Ace.

Ace • Support Specialist

12:30 AM

I hear your sentiment and I can understand how important this is to you to understand the violation so as not to commit the same mistakes in the future.

Delete Lawz

12:30 AM

I believe in the rule of law. I believe that we all have to follow rules or it would be chaos. I just don't know what those rules are when there's absolutely nothing wrong with this video but it's demonetized and restricted. I wanna make sure I don't make the same mistake in the future.

Ace • Support Specialist

12:31 AM

I can understand the importance of keeping the channel from getting strikes as you depend on this channel as your livelihood. I really wish I could share more information to you, however, there is nothing else that we can share regarding this topic.
