Otherwise we'll be in this for years and I liked you -- you turned on me -- I don't wanna sue you man. You forced me. You sat there and ... whatever. Still makes me upset. I'd like to release you from this Lawsuit. 100. This is not a ploy or a joke or me being some kinda bad -- I wanna move on. Don't you?

Just asking for a retraction

I didn't blackmail Josh - you never saw receipts of that.  
I was never coming to your home - you never saw receipts of that.  
I dont have a ponzi scheme  
I'm not a danger to society  
I never extorted anybody  
I don't have victims of violence that are working their way thru the court.

Retract it man -- I'll drop this

Sorry it went so bad -- we should end it

My Lawyer told me not to write this.

I'd like to drop you from the suit.
