PROBABLE CAUSE AFFIDAVIT

I, Detective Suzannahe Smith, being first duly sworn, upon oath, hereby depose and state as follows:

I, Suzannahe Smith, am a Sergeant with the Duncan Police Department in Stephens County, State of Oklahoma. I have been a CLEET-certified and commissioned peace officer for the Duncan Police Department, in Stephens County, in the State of Oklahoma, since February 2013. Your affiant has attended the CLEET Academy and received more than 2400 hours of continuing education from CLEET courses, United States Department of Justice (DOJ) courses, Drug Enforcement Administration (DEA) courses, numerous other State and Federal Agency Courses, and currently holds an Advanced Peace Officers Certification in the State of Oklahoma. During my employment, your affiant has been assigned as a Patrol Officer, a K9 Handler, to the Drug Enforcement Administration (DEA) HIDTA Task Force, Oklahoma City District Office, and is currently assigned to the Criminal Investigations Division since May of 2023.

FACTUAL BASIS FOR PROBABLE CAUSE

As probable cause for believing that said crime(s) was committed and that said crime(s) were committed in the City Limits of Duncan, Stephens County, and the State of Oklahoma, I allege, and state as follows:

On September 8, 2025, at approximately 1439 hours, I, Sgt. Suzannahe Smith was in the Duncan Police Department when Civilian Records Clerk Lori Adams passed me in the hallway, walking towards the south door to exit into the south parking lot. Adams mentioned there were individuals around her vehicle.

I followed Adams to the door and observed two females, one identified as Heather CHANDLER and the second unknown, in the south parking lot, looking into Adams' personal vehicle. CHANDLER and the unknown female were touching the windows, and appeared to be placing a cellular phone on the windows to photograph and/or record the interior of the vehicle. I returned to my office and reviewed video camera footage of the individuals in the parking lot.

At approximately 1431 hours, I observed a male later identified as Jose Maria DECASTRO, walking through the parking lot and carrying a long pole with a recording device attached to it. DECASTRO approached several parked "pull units" and looked into each while also placing the device on the windows to capture the interior of the units.

At approximately 1433 hours, I observed DECASTRO peering into Detective Connor Newman's department-issued unit, a silver Ford F150 bearing Oklahoma License Plate PYA020. DECASTRO appeared to be taking a video/photographing the interior of the vehicle, then pulled on the left (driver's side) door handle, but failed to make entry. DECASTRO proceeded to look inside each investigator's unit, appearing to video/photograph the interior of each unit. At approximately 1435 hours, DECASTRO was standing between Lt. William Fitzhugh's unit and mine. DECASTRO is seen peering into both units. DECASTRO pulled Lt. Fitzhugh's left (driver's side) door handle, again failing to make entry. Lt. Fitzhugh's unit is a silver Ford F150 bearing Oklahoma License Plate QHB922.

I continued to review the camera footage and observed DECASTRO, Heather CHANDLER, and the unknown female continue to walk around numerous other parked units in the south lot, look in and photographing/videoing the interior and exterior of each.

At approximately 1450 hours, I approached the south door of the police department and observed DECASTRO, CHANDLER, and the unknown female reapproach Detective Newman's unit and peer into the driver's side windows. DECASTRO then walked between Lt. Fitzhugh's unit and mine, peered into each, and pulled the door handle of my unit. My unit is described as a silver Ford F150 bearing an Oklahoma License Plate PLX241.

I am familiar with the facts set forth in this affidavit based on a review of certain administrative reports, statements of witnesses regarding the defendant, and from these statements, reports, and from my own observations and knowledge; I submit that there is probable cause to believe that the crime(s) listed were committed:  
**Molesting an Automobile or Motor Vehicle (21 O.S. § 1787).**

Based upon this affidavit, the undersigned prays that this Honorable Court issue a finding of fact that there is probable cause for the issuance of an arrest warrant.

Suzanna Smith  
Sergeant Suzanna Smith

Subscribed and sworn to before me this 9th day of September, 2025.

My Commission Expires:

**FINDING OF PROBABLE CAUSE**

The undersigned Judge of this Court based upon the above said affidavit, and any attachments thereto, hereby determines there to be probable cause to arrest.

DATED this 10 day of December, 2025.

Some people who received this message don't often get email from [deletelawz@gmail.com](mailto:deletelawz@gmail.com). [Learn why this is important](#)

Dear Ms. Johnson,

I hope this email finds you well and that you're having a wonderful day in Duncan!

My name is Jose Decastro, and I'm reaching out from Los Angeles to request some public records under the Oklahoma Open Records Act. I have a feeling we'll be getting to know each other pretty well over the coming months, as I anticipate needing to request records from your office fairly regularly. I surely do appreciate your time and assistance in advance!

Today, I'm requesting records related to **Case Number CF-2024-00131**, concerning the arrest of Anthony Lee McAdams on June 20, 2024, around 6:00 PM.

**Specifically, I'm looking for records involving these three officers:**

- Officer Bailey Webb
- Officer Michael Elroy
- Officer Jason Downs

**The records I'm hoping to obtain include:**

- Body camera footage (this is the big one!)
- Dash camera footage
- Arrest and incident reports
- Officer narratives and reports
- Evidence logs
- Witness statements
- Any other documentation related to this incident

If it's possible to provide these in electronic format (PDF for documents, standard video format for footage), that would be just wonderful and would help keep costs down for everyone.

I understand y'all have five business days to respond under the Oklahoma Open Records Act, and if there are any fees expected to exceed \$25, I'd be much obliged if you could let me know in advance.

**I prefer email.**

Oh, by the way: I presume this is Christina Johnson? You wrote me previously. I did not receive anything in my P.O. box in LA. When can we expect those records? It's been a bit past five days.

Thank you so much for your help with this, Ms. Johnson. I truly appreciate you taking the time, and I look forward to working with you!

Warmest regards,  
Jose Decastro

## Narrative

On 6/20-2024, at approximately 1945 hrs., I was traveling East on Hwy 7 approaching the Lawton-Duncan Y. As I got close and was within approximately 1/8th of a mile from the intersection, I observed a silver Ford pickup traveling south on U.S. 81 through the intersection. The vehicle was traveling at a very high rate of speed which I estimated to be in excess of 100 MPH. I merged onto southbound U.S. 81 and began to try to catch up to the vehicle to pace it. I was unable to catch the vehicle as it was pacing faster than me at 113 MPH.

With my emergency lights on, I caught up to the vehicle when it became stuck behind two cars.

The silver truck was in the left-hand lane near Osage with a vehicle in front of him while traveling south. The suspect vehicle swerved into the right lane and passed the car in the left lane and continued on. The vehicle in the left lane yielded to my emergency lights and moved over as I pursued.

The silver truck, bearing Oklahoma Tag NDV-324, made a very erratic move to the right and stopped on the shoulder near Kush Gardens dispensary. I stopped behind the truck and gave dispatch my location and requested a backup unit.

As I exited my patrol car, the white male driver stuck his head and arms out of the window and yelled at me he was an FBI agent and that he was undercover. I told him to show me his drivers license, and the subject held up his middle finger and floored his truck driving away from me south bound on U.S. 81. Having been a police officer for more than 19yr's, and having worked with numerous Federal Agents, I knew this behavior was not that of a FBI Agent. Now with the truck fleeing, I informed dispatch I was in a pursuit. I activated my audible siren and gave chase. The vehicle fled south towards Camelback in heavy traffic. When the subject came to the stop light at Camelback he was in the right-hand lane and stopped. As I caught up to him, he turned right onto Camelback and then into the parking lot of Lindas Carpet.

Once the vehicle stopped, he rolled his window down again and screamed at me he was FBI. I order the subject at gun point to exit the vehicle and he refused my commands. After numerous attempts to order him out of the vehicle he did finally exit. Once he exited he refused my commands to lie down on the ground. He came towards me yelling he wasn't getting down on the ground and screamed he was an FBI agent undercover. The subject got close to me as I holstered my weapon and attempted to gain control of his arm. The subject tensed and spun towards me in an assaultive manner as I delivered a baton strike to his lower leg area but missed. After the baton strike attempt, the subject backed away from me and still yelled unintelligible statements about me checking his credentials and other statements to the same effect.

The subject and I ended up in the front of his truck as I tried to convince him to submit to my arrest. He refused and my backup officers arrived. As they arrived. Officer's Sanchez and Elroy approached him from the rear and grabbed the suspect. As the grabbed him, he lunged towards me, and I again delivered a baton strike to his lower leg. Offer Sanchez, Elroy and my self were eventually able to gain control of the suspect, and place him under arrest. While down on the ground with the suspect I observed what smelled like and alcoholic beverage emitting from his person.

Once in handcuffs, the suspect, who was now identified as Anthony Lee McAdams, was placed in the rear of Officer Aguilera's patrol car. FTO Webb made the observation that the subject had pinpoint pupils which was consistent with the use of methamphetamine. FTO Webb utilized his K-9 partner and conducted a free air sniff of the vehicle's exterior. The K-9 alerted to the presence of narcotics however, none were found.

Based on the pinpoint pupils and the suspects erratic behavior and reckless driving, FTO Webb read him the states implied consent test request for a blood draw. The suspect agreed to the test and was transported to DRH where the test was administered. No SFST's were administered due to the fact that we had him in custody and had to use force to do so. While at the hospital, the suspect refused any other medical treatment and was transported to the county jail where he was booked.

The suspect's vehicle was released to his son along with a large amount of cash in the vehicle.

AFFIDAVIT

The undersigned upon oath deposes and states as follows, to-wit: That your Affiant, Jason Downs, is a certified and commissioned Police Officer in and for the City of Duncan, Stephens County, Oklahoma and is currently assigned to the Patrol Division.

On 6-20-2024, at approximately 1945 hrs., I was traveling East on Hwy 7 approaching the Lawton-Duncan Y. The subject and I ended up in front of his truck as I tried to convince him to submit to my arrest. He refused and my backup officers arrived. As they arrived, Officer's Sanchez and Elroy approached him from the rear and grabbed the suspect. As they grabbed him, he lunged towards me, and I again delivered a baton strike to his lower leg. Officer Sanchez, Elroy and my self were eventually able to gain control of the suspect and place him under arrest. While down on the ground with the suspect I observed what smelled like an alcoholic beverage emitting from his person.

Once in handcuffs, the suspect, who was now identified as Anthony Lee McAdams, was placed in the rear of Officer Aguilera's patrol car. FTO Webb made the observation that the subject had pinpoint pupils which was consistent with the use of methamphetamine. FTO Webb utilized his K-9 partner and conducted a free air sniff of the vehicle's exterior. The K-9 alerted to the presence of narcotics however, none were found.

Based on the pinpoint pupils and the suspects erratic behavior and reckless driving, FTO Webb read him the states implied consent test request for a blood draw. The suspect agreed to the test and was transported to DRH where the test was administered. No SFST's were administered due to the fact that we had him in custody and had to use force to do so. While at the hospital, the suspect refused any other medical treatment and was transported to the county jail where he was booked.

The suspects' vehicle was released to his son along with a large amount of cash in the vehicle.

PROBABLE CAUSE AFFIDAVIT

I, Detective Suzannahe Smith, being first duly sworn, upon oath, hereby depose and state as follows:

I, Suzannahe Smith, am a Sergeant with the Duncan Police Department in Stephens County, State of Oklahoma. I have been a CLEET-certified and commissioned peace officer for the Duncan Police Department, in Stephens County, in the State of Oklahoma, since February 2013. Your affiant has attended the CLEET Academy and received more than 2400 hours of continuing education from CLEET courses, United States Department of Justice (DOJ) courses, Drug Enforcement Administration (DEA) courses, numerous other State and Federal Agency Courses, and currently holds an Advanced Peace Officers Certification in the State of Oklahoma. During my employment, your affiant has been assigned as a Patrol Officer, a K9 Handler, to the Drug Enforcement Administration (DEA) HIDTA Task Force, Oklahoma City District Office, and is currently assigned to the Criminal Investigations Division since May of 2023.

FACTUAL BASIS FOR PROBABLE CAUSE

As probable cause for believing that said crime(s) was committed and that said crime(s) were committed in the City Limits of Duncan, Stephens County, and the State of Oklahoma, I allege, and state as follows:

On September 8, 2025, at approximately 1439 hours, I, Sgt. Suzannahe Smith was in the Duncan Police Department when Civilian Records Clerk Lori Adams passed me in the hallway, walking towards the south door to exit into the south parking lot. Adams mentioned there were individuals around her vehicle.

I followed Adams to the door and observed two females, one identified as Heather CHANDLER and the second unknown, in the south parking lot, looking into Adams' personal vehicle. CHANDLER and the unknown female were touching the windows, and appeared to be placing a cellular phone on the windows to photograph and/or record the interior of the vehicle. I returned to my office and reviewed video camera footage of the individuals in the parking lot.

At approximately 1431 hours, I observed a male later identified as Jose Maria DECASTRO, walking through the parking lot and carrying a long pole with a recording device attached to it. DECASTRO approached several parked "pull units" and looked into each while also placing the device on the windows to capture the interior of the units.

At approximately 1433 hours, I observed DECASTRO peering into Detective Connor Newman's department-issued unit, a silver Ford F150 bearing Oklahoma License Plate PYA020. DECASTRO appeared to be taking a video/photographing the interior of the vehicle, then pulled on the left (driver's side) door handle, but failed to make entry. DECASTRO proceeded to look inside each investigator's unit, appearing to video/photograph the interior of each unit. At approximately 1435 hours, DECASTRO was standing between Lt. William Fitzhugh's unit and mine. DECASTRO is seen peering into both units. DECASTRO pulled Lt. Fitzhugh's left (driver's side) door handle, again failing to make entry. Lt. Fitzhugh's unit is a silver Ford F150 bearing Oklahoma License Plate QHB922.

I continued to review the camera footage and observed DECASTRO, Heather CHANDLER, and the unknown female continue to walk around numerous other parked units in the south lot, look in and photographing/videoing the interior and exterior of each.

At approximately 1450 hours, I approached the south door of the police department and observed DECASTRO, CHANDLER, and the unknown female reapproach Detective Newman's unit and peer into the driver's side windows. DECASTRO then walked between Lt. Fitzhugh's unit and mine, peered into each, and pulled the door handle of my unit. My unit is described as a silver Ford F150 bearing an Oklahoma License Plate PLX241.

I am familiar with the facts set forth in this affidavit based on a review of certain administrative reports, statements of witnesses regarding the defendant, and from these statements, reports, and from my own observations and knowledge; I submit that there is probable cause to believe that the crime(s) listed were committed:

**Molesting an Automobile or Motor Vehicle (21 O.S. § 1787).**

Based upon this affidavit, the undersigned prays that this Honorable Court issue a finding of fact that there is probable cause for the issuance of an arrest warrant.
