EXHIBIT SUBMISSION PROCEDURES

1. For telephonic hearings, exhibits should be submitted one week prior to the hearing date, regardless of number.
2. For in-person hearings, exhibits should be submitted one week prior to the hearing if there are fifteen (15) or more exhibits.
3. For **contested Protective Order Hearings** (Order of Protection or Injunction Against Harassment), or **Family Law Temporary Orders Without Notice** hearings, exhibits should be submitted at least three (3) days prior to the hearing.
4. Individual exhibits must be stapled if multiple pages. If an exhibit is too thick for a stapler, please use a binder clip or rubber band on the exhibit.
5. Please **do not** submit exhibits in notebooks or binders. The only exception would be when one exhibit may be too voluminous to staple and would fill an entire binder.
6. We **DO NOT** accept emailed or electronic exhibits. All exhibits must be submitted in person to the 8th floor drop box, or mailed (USPS, FedEx, UPS) to: Pima County Clerk of Superior Court, attn: Karla Ronquillo, 110 West Congress, Suite 131A, Tucson, AZ 85701.
7. The Clerk of Court will not remove exhibits from a previous hearing and re-mark said exhibits for a future hearing.

10. All non-admitted exhibits will be released back to the parties at the end of the hearing. If a party is appearing telephonically or by TEAMS, they will have two (2) weeks from the hearing date to pick up the non-admitted exhibits, or the exhibits will be destroyed. The parties may contact the Exhibits Unit at **(520) 724-3290**, to pick up their exhibits.

Information regarding Clerk of Court marking procedures

1. Petitioner/Plaintiff's exhibits are marked using numbers. The party filing the initial petition/motion in a case will always be considered as the Petitioner/Plaintiff, regardless of who files any subsequent petition/motion.
 2. Respondent/Defendant's exhibits are marked using letters. If there are more than 26 exhibits, the next 26 would be marked as AA through AZ, then BA through BZ, etc.
 3. We do not utilize subsections. (We will not mark exhibits as 1A, 1B, etc.)
 4. We **do not** skip numbers/letters, or reserve space. Exhibits will be marked sequentially.
 5. In Civil or Criminal cases, each photograph is considered as a separate exhibit, unless it is included as part of an official report.
 6. Audio or Video evidence may be placed on a CD or USB drive. If each audio or video segment is to be considered as a separate exhibit, it must be placed on a separate CD or USB drive. **Please make sure you bring your own laptop or electronic device to play these types of exhibits.**
 7. Original depositions are not marked as exhibits unless, and until, they are used at trial.
 8. Once exhibits have been identified in a minute entry, they cannot be altered or added to. A new exhibit would need to be submitted.
