Date: July 23, 2026

Case No.: CR20251060-001
CR20251454-001

For reasons as set forth on the record,

The Court denies the media requests to have cameras, video, or audio recordings of the hearings for the Defendant's Motion to Modify Conditions of Probation and the Violation Hearing.

The Court indicates that the previous livestreaming feature of court proceedings was made possible by COVID-era funding; that contract has ended and court proceedings are no longer being livestreamed.

As to Defendant's Motion to Dismiss Petition or in the Alternative, Motion for Bill of Particulars, Counsel argue their respective positions to the Court and agree to address the Motion at the hearing currently scheduled on July 28, 2026.

The Court is in receipt of the emails for *in camera* review and will review same in advance of the hearing currently scheduled on July 28, 2026.

Mr. Resnick raises an issue to the Court regarding the Defendant being interviewed by media outlets while in custody.

Counsel and the Defendant argue their respective positions to the Court.

IT IS ORDERED affirming that there is no gag order against the Defendant and he is free to speak to whomever he chooses to speak. The Court for the time will affirm its conditions of probation.

IT IS ORDERED that the Defendant's Motion to Modify Conditions of Probation currently set on July 28, 2026, at 2:00 PM, in Division 16, is affirmed.

IT IS ORDERED that the Violation Hearing currently set on August 11, 2026, at 9:00 AM, in Division 16, is affirmed.

Hearing ends at 4:39 PM.

EXHIBIT SUBMISSION PROCEDURES

1. For telephonic hearings, exhibits should be submitted one week prior to the hearing date, regardless of number.
2. For in-person hearings, exhibits should be submitted one week prior to the hearing if there are fifteen (15) or more exhibits.
3. For **contested Protective Order Hearings** (Order of Protection or Injunction Against Harassment), or **Family Law Temporary Orders Without Notice** hearings, exhibits should be submitted at least three (3) days prior to the hearing.
4. Individual exhibits **must** be stapled if multiple pages. If an exhibit is too thick for a stapler, please use a binder clip or rubber band on the exhibit.
5. Please **do not** submit exhibits in notebooks or binders. The only exception would be when **one** exhibit may be too voluminous to staple and would fill an entire binder.
6. We **DO NOT** accept emailed or electronic exhibits. All exhibits must be submitted in person to the 8th floor drop box, or mailed (USPS, FedEx, UPS) to: Pima County Clerk of Superior Court, attn: Karla Ronquillo, 110 West Congress, Suite 131A, Tucson, AZ 85701.
7. The Clerk of Court **will not** remove exhibits from a previous hearing and re-mark said exhibits for a future hearing.
8. **All new hearings will require submission of new exhibits.**
9. If a hearing is continued to another date due to insufficient time to complete the hearing, those exhibits will be carried over to the next hearing date. You would not need to submit new exhibits.
10. All non-admitted exhibits will be released back to the parties at the end of the hearing. If a party is appearing telephonically or by TEAMS, they will have two (2) weeks from the hearing date to pick up the non-admitted exhibits, or the exhibits will be destroyed. The parties may contact the Exhibits Unit at **(520) 724-3290**, to pick up their exhibits.

Information regarding Clerk of Court marking procedures

1. Petitioner/Plaintiff's exhibits are marked using numbers. The party filing the initial petition/motion in a case will always be considered as the Petitioner/Plaintiff, regardless of who files any subsequent petition/motion.
 2. Respondent/Defendant's exhibits are marked using letters. If there are more than 26 exhibits, the next 26 would be marked as AA through AZ, then BA through BZ, etc.
 3. We do not utilize subsections. (We will not mark exhibits as 1A, 1B, etc.)
 4. We **do not** skip numbers/letters, or reserve space. Exhibits will be marked sequentially.
 5. In Civil or Criminal cases, each photograph is considered as a separate exhibit, unless it is included as part of an official report.
 6. Audio or Video evidence may be placed on a CD or USB drive. If each audio or video segment is to be considered as a separate exhibit, it must be placed on a separate CD or USB drive.
Please make sure you bring your own laptop or electronic device to play these types of exhibits.
 7. Original depositions are not marked as exhibits unless, and until, they are used at trial.
 8. Once exhibits have been identified in a minute entry, they cannot be altered or added to. A new exhibit would need to be submitted.
