PROBABLE CAUSE STATEMENT

Date: 01/26/2026 Case #: GCS260126000379

I, DAMIEN JORDAN, knowing that false statements on this form are punishable by law state as follows:

1. I have probable cause to believe that ANDREA LAUREN DOTSON, White/Female, committed one or more criminal offenses.
2. The following crime(s) happened on 2026/01/25 23:18 - 2026/01/26 01:28 at [REDACTED]
3. The facts supporting this belief are as follows:

On the above date, at the above time I responded to [REDACTED] and for a check well-being of an intoxicated female who was later identified as Andrea Dotson who was trying to sleep outside with freezing temperatures and in snow.

While speaking with Andrea, she grabbed me by the left shoulder strap of my issued vest and shoved me with both hands one being on the strap of my vest and the other on my chest. After doing so Andrea would continue to pull away from law enforcement officers and would not place her hands behind her back and would not allow herself to be placed into handcuffs. I advised Andrea of her Miranda rights, but was unable to confirm whether or not she understood them due to her yelling over me.

Warrant Information if requesting a warrant rather than a summons:

1. I have reasonable grounds to believe the defendant will not appear based on the following information:

☒ Not Applicable

2. I have reasonable grounds to believe the defendant poses a danger to a crime victim, the community, or any other person based on the following information:

[I believe she Andrea poses a danger to the community because of assaulting a law enforcement officer and refused to comply by not going into handcuffs after the fact.]

☐ Not Applicable

The facts contained above are true.
